HABC Level 2 Award in Emergency First Aid at Work (QCF)

Introduction

This qualification specification is designed to outline all you need to know in order to offer this qualification at your centre. If you have any further questions, please contact your HABC Account Manager.

Qualification Details

The HABC Level 2 Award in Emergency First Aid at Work (QCF) has been accredited by the regulators of England and Wales (Ofqual and the Welsh Government) and is part of the Qualifications and Credit Framework (QCF).

It is supported by Skills for Health; the Sector Skills Council for Health.

Key Facts

Qualification Number:	600/7372/X
Learning Aim Reference:	6007372X
Credit Value:	1
Assessment Method:	Practical demonstration and oral questioning
Guided Learning Hours (GLH):	8

Qualification Overview and Objective

This qualification is designed for those learners wishing to gain a nationally recognised qualification in First Aid.

The objective of the qualification is for those learners already working or preparing to work in industry and that have been identified within the company's risk assessment of First Aid and supports the role in the workplace as a First aider. It is typically delivered as a one day programme.

Topics within this course are regarded by the Health & Safety Executive (HSE) as being important in maintaining good practice in the safe, prompt and effective treatment of injuries and ill health in the workplace.

The qualification provides learners with the knowledge, understanding and skills in First Aid.

Entry Requirements

In order to register on to this qualification, learners are required to meet the following entry requirements:

- 16 years of age or above
 - It is advised that learners have a minimum of Level 1 in English and Maths.
-

Qualification Structure

In order to achieve the qualification, learners must achieve:

- all units within the mandatory group totalling 1 credit.

Full details relating to the Rules of Combination for this qualification can be found in Appendix 1 of this specification. All units are contained in Appendix 2.

Delivery/Assessment Ratios

In order to effectively deliver and assess this qualification, centres are recommended not to exceed the ratio of 1 qualified tutor/assessor to 12 learners in any one instance. If centres wish to increase this ratio, they must first request approval from HABC.

Guidance on Delivery

The qualification has a minimum guided learning hour's value of 8 hours. The Health & Safety Executive (HSE), in addition to this guidance, have stipulated that the minimum contact hours for this qualification, excluding breaks, should be no less than 6 hours over 1 day. It was agreed at the First Aid Awarding bodies Forum that this qualification can also be delivered over a maximum of a 3 week period, with the minimum duration of each training session being 2 hours.

Guidance on Assessment

HABC has worked with subject matter experts in first aid to develop robust and streamlined assessment paperwork (available from the HABC Members Download Area) which includes:

1] Practical observation

The practical assessment of learners for the qualification is completed throughout the course delivery. This ongoing assessment will involve learners demonstrating practical first aid skills across a number of areas. The recording of assessment will be via the HABC QCF EFAW Assessment Pack – Practical.

2] Written/Oral questioning

Learners are required to answer a series of questions ensuring their understanding of the theory content is sufficient to meet the required standard. Oral questioning can be used to extract further information for these questions during the practical assessments, with the tutor documenting the responses, or when needing to supplement learners' written responses, according to individual learners' needs. The recording of assessment will be via the HABC QCF EFAW Assessment Pack – Theory.

3] Accident Report Form

Learners are required to show evidence that they are able to complete an accident report form. The recording of assessment will be via the HABC Accident Report Form.

A full explanation of their usage is provided in the Tutor, Assessor and Internal Quality Assurance Pack, available to download from the HABC Member's Area. Whilst it is not mandatory to use any of the aforementioned HABC assessment paperwork, centres wishing to use an alternative must seek prior approval from the HABC External Quality Support (EQS) Team.

In line with guidance provided by the HSE, the qualification supports/approves work place emergency first aiders for a period of 3 years, after which point learners will need to retake the course. In addition to this it is also recommended that learners refresh their knowledge annually.

Guidance on Quality Assurance

HABC require Centres to have in place a robust mechanism for internal quality assurance. Internal quality assurance must be completed by an appropriately qualified person and that person must not have been involved in any aspect of the delivery or assessment of the course they are quality assuring.

Internal quality assurance should monitor both the delivery and assessment of the qualification and can involve a number of different methods of monitoring e.g. observation of course delivery/assessment, sampling of course assessment material, learner interviews etc.

Once complete, this assessment paperwork and Internal Quality Assurance paperwork must be stored by the centre for a minimum period of 3 years to allow for quality assurance checks.

HABC will support Centre's by conducting ongoing engagements to ensure and verify the effective and efficient delivery of the qualification.

Centre Requirements

HABC require centres involved in the delivery of this qualification to have the following resources in place:

- a minimum of 1 Resuscitation manikin between a maximum of 4 learners
 - safety procedures in place for manikin faces e.g. facilities to sterilise the manikin faces at the end of each course OR one disposable face shield per learner OR manikin face wipes to be used after each learner's demonstration
 - replacement airways and lungs for each resuscitation manikin to be changed at the end of each course
 - a minimum of 1 disposable training dressing per learner
 - a minimum of 1 pair of disposable gloves (not latex) per learner
 - a minimum of 1 first aid kit
 - training rooms that have carpeted floors or mats/blankets provided, for use during practical sessions
 - adequate training and assessment facilities to accommodate maximum number of learners on course
 - a training room which is safe, that has adequate ventilation, lighting sufficient for learners to read easily, and temperature suitable to maintain a 'shirt sleeve' environment. It is also required that training rooms are able to cater for people with special needs (where appropriate).
-

Geographical Coverage

This qualification is suitable for learners in England, Wales or Northern Ireland.

Tutor Requirements

HABC require nominated tutors for this qualification to meet the following two requirements:

HABC require those involved in the training of the qualification to meet the following two criteria:

1. Occupational knowledge and competence in **first aid*** - evidenced by holding a first aid at work/medical qualification as detailed below:
 - Holding a current **First Aid at Work Certificate** (issued by an Ofqual/SQA/Welsh Government recognised Awarding Organisation, a HSE approved training provider or recognised equivalent*) **or**
 - Holding a current **Offshore First Aid Certificate** issued by a HSE approved training provider **or**
 - Current registration as a **Doctor** with the General Medical Council (GMC) **or**
 - Current registration as a **Nurse** with the Nursing and Midwifery Council (NMC) **or**
 - Current registration as a **Paramedic** with the Health and Care Professions Council (HCPC).
2. Knowledge and competency in **teaching/training** first aid - evidenced by holding an acceptable teaching/training qualification as detailed in **Appendix 4**.

**recognised First Aid at Work certificate equivalents that are not listed above, must be submitted to HABC with a comprehensive mapping. Please speak to your HABC Account Manager for further information.*

Note: In addition to the above, assessors are required to keep a log of courses that they have been involved with and any continuous professional development they have undertaken.

Assessor Requirements

HABC require those involved in the assessing of the qualification to meet the following two criteria:

1. Occupational knowledge and competence in **first aid*** - evidenced by holding a first aid at work/medical qualification as detailed below:
 - Holding a current **First Aid at Work Certificate** (issued by an Ofqual/SQA/Welsh Government recognised Awarding Organisation, a HSE approved training provider or recognised equivalent*) **or**
 - Holding a current **Offshore First Aid Certificate** issued by a HSE approved training provider **or**
 - Current registration as a **Doctor** with the General Medical Council (GMC) **or**
 - Current registration as a **Nurse** with the Nursing and Midwifery Council (NMC) **or**
 - Current registration as a **Paramedic** with the Health and Care Professions Council (HCPC).
2. Knowledge and competency in **assessing** first aid - evidenced by holding an acceptable assessing qualification or CPD Training as detailed in **Appendix 4**.

**recognised First Aid at Work certificate equivalents that are not listed above, must be submitted to HABC with a comprehensive mapping. Please speak to your HABC Account Manager for further information.*

Note: In addition to the above, assessors are required to keep a log of courses that they have been involved with and any continuous professional development they have undertaken.

Internal Quality Assurance (IQA) Requirements

HABC require those involved in the assessing of the qualification to meet the following two criteria:

1. Occupational knowledge and competence in **first aid*** - evidenced by holding a first aid at work/medical qualification as detailed below:
 - Holding a current **First Aid at Work Certificate** (issued by an Ofqual/SQA/Welsh Government recognised Awarding Organisation, a HSE approved training provider or recognised equivalent*) *or*
 - Holding a current **Offshore First Aid Certificate** issued by a HSE approved training provider *or*
 - Current registration as a **Doctor** with the General Medical Council (GMC) *or*
 - Current registration as a **Nurse** with the Nursing and Midwifery Council (NMC) *or*
 - Current registration as a **Paramedic** with the Health and Care Professions Council (HCPC).
2. Knowledge and competency in **internal quality assurance** – evidenced by holding a qualification or CPD training as detailed in **Appendix 5**.

**recognised First Aid at Work certificate equivalents that are not listed above, must be submitted to HABC with a comprehensive mapping. Please speak to your HABC Account Manager for further information.*

Note: In addition to the above Internal Quality Assurers must:

- have knowledge of the requirements of the qualification they are quality assuring at the time any assessment is taking place
 - have knowledge and understanding of the role of assessors
 - visit and observe assessments
 - carry out other related internal quality assurance.
-

Counter Signing Strategy

Whilst it is a minimum requirement for Centre's to have the appropriately qualified workforce in place, it is understood that Centres will have new personal that are working toward those requirements. During the period, Centres are required to have a robust countersigning strategy in place that supports and validates unqualified assessment/quality assurance decision, until the point where they meet the requirements as detailed above.

Reasonable Adjustments and Special Considerations

HABC have measures in place for learners who require additional support. Please refer to the HABC Reasonable Adjustments Policy for further information/guidance.

ID Requirements

It is the responsibility of the Centre to have systems in place to ensure that the person taking an

examination is indeed the person they are claiming to be. All Centres are therefore required to ensure that each learner's identification is checked before they are allowed to sit the examination and write the type of identification provided by each learner on the Learner List under "Identification Provided". HABC recommend the following as proof of a Learners Identity:

- valid passport (any nationality);
- signed UK photo card driving licence;
- valid warrant card issued by HM Forces, Police;
- other photographic ID card, e.g. valid warrant card issued by HM Forces, Police, employee ID card, student ID card, travel card.

In the event that a learner is unable to produce any of the forms of photographic identification listed above, a centre may accept another form of identity containing a signature, for example a credit card or a third-party representative, such as a Line Manager, Human Resources Manager or invigilator, will be accepted.

For more information on learner ID requirements, please refer to the HABC Core Manual.

Progression

Upon successful completion of this qualification, learners may wish to continue their development via the completion of any of the following signposted qualifications/training:

- HABC Level 3 Award in First Aid at Work (FAW) (QCF)
- HABC First Aid at Work (FAW) at SCQF Level 6
- HABC Level 3 Award in First Aid Response
- HABC Level 3 Award in Paediatric First Aid (QCF)
- HABC Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation (QCF)

Recommended Training Materials

The following resources have been reviewed by HABC and are recommended training materials for users of this qualification:

- Morley, J. & Sprenger, C. (2012) First Aid Handbook. Highfield.co.uk.Ltd
- Morley, J. & Sprenger, C. (2012) Interactive Emergency First Aid at Work Training Package. Highfield.co.uk.Ltd

Appendix 1: Rules of Combination

In order to complete the HABC Level 2 Award in Emergency First Aid at Work (QCF, learners must achieve a minimum of **1 credit** overall:

- **all units** in the mandatory group totaling **1 credit**

Mandatory Group

Learners must achieve **all units** in this group.

Unit reference	Unit Title	Level	Credit
A/504/4517	Emergency First Aid in the Workplace	2	1

Appendix 2: All Units

Unit 1: Emergency First Aid in the Workplace

QCF Level: 2
 GLH: 8
 SCQF Credit: 1

Learning Outcomes	Assessment Criteria
<i>The learner will</i>	<i>The learner can</i>
1. understand the role and responsibilities of a first aider	1.1 identify the role and responsibilities of a first aider 1.2 describe how to minimise the risk of infection to self and others 1.3 identify the need of establishing consent to provide first aid 1.4 complete an accident report form 1.5 identify the first aid equipment that should be available in a workplace 1.6 describe the safe use of first aid equipment
2. be able to assess an incident	2.1 conduct a scene survey 2.2 conduct a primary survey of a casualty 2.3 give examples of when to call for help
3. be able to manage an unresponsive casualty who is breathing normally	3.1 assess a casualty's level of consciousness 3.2 open a casualty's airway and check breathing 3.3 explain why it is important to place an unconscious casualty into the recovery position 3.4 place an unresponsive casualty in the recovery position 3.5 manage a casualty who is in seizure
4. be able to manage an unresponsive casualty who is not breathing normally	4.1 recognise the need to commence Cardio Pulmonary Resuscitation 4.2 demonstrate Cardio Pulmonary Resuscitation using a manikin
5. be able to recognise and assist a casualty who is choking	5.1 describe how to identify a casualty with a <ul style="list-style-type: none"> • partially blocked airway • completely blocked airway 5.2 administer first aid to a casualty who is choking

Learning Outcomes	Assessment Criteria
<i>The learner will</i>	<i>The learner can</i>
6. be able to manage a casualty with external bleeding	6.1 identify the types of external bleeding 6.2 control external bleeding
7. be able to manage a casualty who is in shock	7.1 recognise shock 7.2 administer first aid to a casualty who is in shock
8. be able to manage a casualty with a minor injury	8.1 administer first aid to a casualty with small cuts, grazes and bruises 8.2 administer first aid to a casualty with minor burns and scalds 8.3 administer first aid to a casualty with small splinters

Additional Assessment Guidance/Requirements

This section of the specification provides further details on any additional assessment guidance/requirement in order to consistently provide valid, reliable, comparable assessments.

The assessment of this unit must include both practical demonstration/assignment and oral examination with the practical being assessed by simulation.

First Aid at Work Trainer course ***	✓ ***	
First Aid at Work Assessor course ****		✓ ****

*Trainers who do not have a formal teaching/training qualification but have considerable evidence of successfully delivering first aid training within the last 3 years may be considered. A regulated teaching/training qualification will however be required from **1st October 2015**.

**Assessors who do not hold a formal assessing qualification may alternatively attend *First Aid Assessor CPD Training* with a recognised Awarding Organisation.

***As this is not a regulated qualification, trainers will be required to achieve a formal (regulated) teaching/training qualification by **1st October 2015**.

****As this is not a regulated qualification, assessors will be required to achieve a formal (regulated) assessing qualification **or** attend *First Aid Assessor CPD Training* with an Awarding Organisation by **1st October 2015**.

Appendix 5: Acceptable Internal Quality Assurance Qualifications

This list is not exhaustive but provides a guide to acceptable IQA qualifications:

V1 or D34	✓
Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice (QCF)	✓
Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice (QCF)	✓
Regulated Qualifications based on the Learning and Development NOS 11 Internally Monitor and Maintain the Quality of Assessment	✓
SQA Accredited Learning and Development Unit 11 Internally Monitor and Maintain the Quality of Workplace Assessment	✓
SQA Internally Verify the Assessment Process	✓

* IQAs who do not hold a formal IQA qualification may alternatively attend Internal Quality Assurance CPD Training with a recognised Awarding Organisation.

Note: It is understood that not all IQAs will hold formal IQA qualifications or have attended CPD Training initially, though one of the above should have been achieved by 1st October 2015. During this time Awarding Organisations and Centres must ensure that IQAs are following the principles set out in the current Learning and Development NOS 11 Internally monitor and maintain the quality of assessment.
