

## Essential Employment Law

---

### Overview

This 1 day course is suitable for anyone with responsibility for recruiting, terminating, managing the performance of, or generally looking after the health and welfare of workers.

This course focuses on key legislations that every Manager needs to be aware of and provides an update on recent and expected changes to legislation that may require you to rethink current policies and procedures. With a focus on trying to find solutions to common problems and concerns you are currently facing, issues are discussed which are current and relevant.

Attendees may submit anonymous employment issues and concerns in advance and these will form the basis of the afternoon workshop.
